

## Publications

63. Goal-Directed Resuscitation for Patients with Early Septic Shock. *New England Journal of Medicine*. 2014;371(16):1496-506.
62. NZEMN. New Zealand Emergency Medicine Network (NZEMN): collaboration for acute care research in New Zealand. *N Z Med J*. 2014;127(1407):88-90.
61. Jones P, Sopina E, Ashton T. Resource implications of a national health target: The New Zealand experience of a Shorter Stays in Emergency Departments target. *Emerg Med Australas*. 2014;26(6):579-84.
60. Wimsett J, Harper A, Jones P. Review article: Components of a good quality discharge summary: A systematic review. *Emerg Med Australas*. 2014;26(5):430-8.
59. Jones P, Shepherd M, Wells S, Le Fevre J, Ameratunga S. Review article: What makes a good healthcare quality indicator? A systematic review and validation study. *Emerg Med Australas*. 2014;26(2):113-24.
58. Thornton V, Fogarty A, Jones P, Ragaban N, Simpson C. Why do patients self-present to Middlemore Hospital Emergency Department? *N Z Med J*. 2014;127(1394):19-30.
57. Scorgie R, Nicholls GM, Jones P. An association between an educational intervention and a reduction in inappropriate troponin testing in patients presenting to an adult emergency department. *Intern Med J*. 2014;44(11).
56. Schimanski, K Comparison study of upper arm and forearm non-invasive blood pressures in adult Emergency Department patients. *International Journal of Nursing Studies*, 2014 (*accepted, awaiting publication*)
55. King G, Nicholls G, Jones P. Impact of a Decision Rule on duration of Continuous Cardiac Monitoring of Patients with Suspected Acute Coronary Syndrome in an Emergency Department. *Internal Medicine Journal*. 2013;43(10):1088-95.
54. Jones PG, Thornton V. Does cost drive primary care patients to New Zealand's emergency departments? A systematic review. *N Z Med J*. 2013;126(1387):15-24.
53. Jones P, Moran K, Webber J. Drowning terminology: not what it used to be. *N Z Med J*. 2013;126(1386):114-6.
52. John S, Jones P, Kelly P, Vincent A. Fatal Pediatric Head Injuries: A 20-Year Review of Cases Through the Auckland Coroner's Office. *American Journal of Forensic Medicine & Pathology*. 2013;34(3):277-82.
51. Rosemergy I, Bergin P, Jones P, Walker E. Seizure Management at Auckland City Hospital Emergency Department between June and December 2009: Time for a change? *Internal Medicine Journal*. 2013; 42 (9) 1023-1029.
50. Nicholls, G. M., Clearwater G. Emergency presentation of emboli to multiple sites from an atrial myxoma. *Emerg Med Australas* 2012 **24**(3): 336-338.

49. Jones, P, Dunn, B, et al. Australasian College for Emergency Medicine trainee research project bar is not too high. *Emerg Med Australas* 2012 **24**(2): 210-212.
48. Lawrey, E., Jones P., et al. Prosthetic hip dislocations: Is relocation in the emergency department by emergency medicine staff better? *Emerg Med Australas* 2012 **24**(2): 166-174.
47. Kent B, Anderson N, Glynn Owens, R. Nurses' early experiences with patient death: the results of an on-line survey of Registered Nurses in New Zealand. *Int J Nursing Studies* 14/4/2012 [Epub ahead of print].
46. Jones P, Harper A, Wells S, Curtis E, Carswell P, Reid P Ameratunga S. Selection and Validation of Quality Indicators for the Shorter Stays in Emergency Departments National Research Project. *Emerg Med Austral* 2012 **24**(3): 303-312
45. Jones P, Chalmers L, Wells S, Ameratunga S, Carswell P, Ashton T, Curtis E, Reid P, Stewart J, Harper A, Tenbensen T. Implementing performance improvement in New Zealand emergency departments: the six hour time target policy national research project protocol. *BMC Health Serv Res.* 2012;**12**(1):45
44. Parke T. Diversion of emergency acute workload to primary care: an attractive private sector alternative to public hospital emergency departments? *NZ Med J.* 2011;**124**(1347):6-9.
43. Jones PG, Olsen S. Point prevalence of access block and overcrowding in New Zealand emergency departments 2010 and their relationship to the 'Shorter Stays in ED' target. *Emerg Med Australas.* 2011;**23**(5):587-592.
42. Parke T, Freeman P. The future of acute care in New Zealand. *NZ Med J.* 2011;**123**(1316):1-3.
41. Jones P. The 'Shorter Stays' target is a whole health system target, not an emergency department target. *NZ Med J.* 2011;**124**(1344):13-15.
40. Jones P, Miles J, Mitchell N. Survival from in-hospital cardiac arrest in Auckland City Hospital. *Emerg Med Australas.* 2011;**23**(5):569-579.
39. Jairam S, Jones P, Samaraie L, Chataline A, Davidson J, Stewart R. Clinical diagnosis and outcomes for Troponin T 'positive' patients assessed by a high sensitivity compared with a 4th generation assay. *Emerg Med Australas.* 2011;**23**(4):490-501.
38. Reade MC, Delaney A, Bailey MJ, Harrison DA, Yealy DM, Jones PG, Rowan KM, Bellomo R, Angus DC. Prospective meta-analysis using individual patient data in intensive care medicine. *Intensive Care Med.* 2010;**36**(1):11-21.
37. Jones P, Schimanski K. The four hour target to reduce emergency department 'waiting time': A systematic review of clinical outcomes. *Emerg Med Australas.* 2010;**22**(5):391-398
36. Jones P, Elangbam B, Williams NR. Inappropriate use and interpretation of D-dimer testing in the emergency department: an unexpected adverse effect of meeting the "4-h target". *Emerg Med J.* 2010;**27**(1):43-47.

35. Austin K, Jones P. Accuracy of interpretation of arterial blood gases by emergency medicine doctors. *Emerg Med Australas*. 2010;22(2):159-165.
34. Schimanski K, Hedgecock B. Factors to consider for family violence screening implementation in New Zealand emergency departments. *Australasian Emergency Nursing Journal*. 2009;12(2):50-54.
33. Rademeyer C, Jones P, Dalziel S, Clearwater G, Foley B, Ghafel M. Emergency Department Utilisation: A Natural Experiment *NZ Med J*. 2009;122(1302).
32. Jones P, Dalziel Stuart R, Lamdin R, Miles J, Frampton C. Oral non-steroidal anti-inflammatory drugs versus other oral analgesic agents for acute soft tissue injury. *Cochrane Database of Systematic Reviews*. Chichester, UK: John Wiley & Sons, Ltd; 2009.
31. Anson K, Segedin E, Jones P. ATV (quad bike) injuries in New Zealand children: their extent and severity. *NZ Med J*. 2009;122(1302).
30. Doran O, Foley B. Acute complications following extracorporeal shock-wave lithotripsy for renal and ureteric calculi. *Emerg Med Australas*. 2008;20(2):105-1113.
29. Jones PG, Miles JL. Overcoming barriers to in-hospital cardiac arrest documentation. *Resuscitation*. 2008;76(3):369-375.
28. Theron L, Jansen K, Skinner A, Theron L, Jansen K, Skinner A. New Zealand's first fatality linked to use of 1,4-butanediol (1,4-B, Fantasy): no evidence of coingestion or comorbidity. *N Z Med J*. 2003;116(1184):U650.
27. Jansen KL, Theron L. Ecstasy (MDMA), methamphetamine, and date rape (drug-facilitated sexual assault): a consideration of the issues. *J Psychoactive Drugs*. 2006;38(1):1-12.
26. Dunn MJ, Mitchell R, Souza CD, Drummond G, Dunn MJG. Evaluation of propofol and remifentanyl for intravenous sedation for reducing shoulder dislocations in the emergency department. *Emerg Med J*. 2006;23(1):57-58.
25. Yousif K, Bebbington J, Foley B, Yousif K, Bebbington J, Foley B. Impact on patients triage distribution utilizing the Australasian Triage Scale compared with its predecessor the National Triage Scale. *Emerg Med Australas*. 2005;17(5-6):429-433.
24. Theron L, Adams A, Jansen K, Robinson E. Emergency weight estimation in Pacific Island and Maori children who are large-for-age. *Emerg Med Australas*. 2005;17(3):238-243.
23. Skinner A, Foley B, Skinner A, Foley B. Pulmonary embolus successfully treated with thrombolysis in the resuscitation room.[see comment]. *N Z Med J*. 2005;118(1212):U1378.
22. Horsburgh M, Lamdin R, Horsburgh M, Lamdin R. Maori health issues explored in an interprofessional learning context. *J Interprof Care*. 2004;18(3):279-287.
21. Theron L, Jansen K, Miles J. Benzylpiperazine-based party pills' impact on the Auckland City Hospital Emergency Department Overdose Database (2002-2004) compared with ecstasy (MDMA or methylene dioxymethamphetamine), gamma hydroxybutyrate (GHB), amphetamines, cocaine, and alcohol.[see comment]. *N Z Med J*. 2007;120(1249):U2416.

20. Skinner A, Jones P, Skinner A, Jones P. Negative betaHCG: positive ectopic pregnancy. *N Z Med J*. 2003;116(1183):U630.
19. Jones PG, Peak S, McClelland A, Holden A, Higginson I, Gamble G. Emergency ultrasound credentialling for focused assessment sonography in trauma and abdominal aortic aneurysm: A practical approach for Australasia. *Emerg Med (Fremantle)*. 2003;15(1):54-62.
18. Everitt R, Jones P. Changing the minimum legal drinking age--its effect on a central city emergency department. *N Z Med J*. 2002;115(1146):9-11.
17. Jones PG. Does concurrent or previous illness accurately predict cardiac arrest survival?[comment]. *Resuscitation*. 2001;50(2):246.
16. Jones PG, McClelland A, McNeil A, Gamble G. Agreement between troponin T levels from plain and heparinized tubes. *Emerg Med (Fremantle)*. 2001;13(4):451-455.
15. Horsburgh M, Lamdin R, Williamson E. Multiprofessional learning: the attitudes of medical, nursing and pharmacy students to shared learning.[see comment]. *Med Educ*. 2001;35(9):876-883.
14. Speedy DB, Rogers I, Safih S, Foley B. Hyponatremia and seizures in an ultradistance triathlete. *J Emerg Med*. 2000;18(1):41-44.
13. Mitchell RG, Guly UM, Rainer TH, Robertson CE. Paramedic activities, drug administration and survival from out of hospital cardiac arrest.[see comment]. *Resuscitation*. 2000;43(2):95-100.
12. Jones PG. Analgesia in soft-tissue injury: current practice in Auckland is not supported by the available evidence. *N Z Med J*. 1999;112(1097):376-379.
11. Houlihan KP, Mitchell RG, Flapan AD, Steedman DJ. Excessive morphine requirements after pre-hospital nalbuphine analgesia.[see comment]. *J Accid Emerg Med*. 1999;16(1):29-31.
10. Gleeson AP, Mitchell RG, Robertson CE. Advanced life support for out-of-hospital cardiac arrest--the changing role of a hospital-based flying squad.[see comment]. *Eur J Emerg Med*. 1998;5(3):285-287.
9. Mitchell RG, Brady W, Guly UM, Pirrallo RG, Robertson CE. Comparison of two emergency response systems and their effect on survival from out of hospital cardiac arrest. *Resuscitation*. 1997;35(3):225-229.
8. Mitchell RG, Guly UM, Rainer TH, Robertson CE. Can the full range of paramedic skills improve survival from out of hospital cardiac arrests? *J Accid Emerg Med*. 1997;14(5):274-277.
7. Mitchell RG, Nichol N, Goldie AS, Steedman DJ. Inhalational anaesthesia in emergency medicine using a new volatile--sevoflurane.[see comment]. *J Accid Emerg Med*. 1997;14(5):328-330.
6. Parke T, Simpson D, Mitchell R, MacCallum R, Campbell-Hewson G, Steedman D. Blood alcohol and cardiac arrest. *Resuscitation*. 1996;32(3):199-202.
5. Graham CA, McLeod LS, Mitchell RG, Wyatt JP, Walker WS. Survival after laceration of the superior vena cava from blunt chest trauma. *Eur J Emerg Med*. 1996;3(3):191-193.

4. Rietveld JA, Pilmore HL, Jones PG, Theis JC, Bowie DA, Dempster AG, Walker RJ. Necrotising fasciitis: a single centre's experience.[see comment]. *N Z Med J.* 1995;108(995):72-74.
3. Marais J, Mitchell R, Wightman AJ. The value of radiographic assessment for oropharyngeal foreign bodies. *J Laryngol Otol.* 1995;109(5):452-454.
2. Guly UM, Mitchell RG, Cook R, Steedman DJ, Robertson CE. Paramedics and technicians are equally successful at managing cardiac arrest outside hospital.[see comment]. *Bmj.* 1995;310(6987):1091-1094.
1. Jones ME, Mitchell RG, Leen CL. Long seronegative window in schistosoma infection. *Lancet.* 1992;340(8834-8835):1549-1550.
