Re: Official Information Act request – Annual sum collected by Wilson carparks

I refer to your Official Information Act request dated 11 March 2021 requesting the following information:

Please advise the Annual Sum collected by Wilson Carparks and other Car Park Companies from your various Auckland District Health Board carparks and how much is returned to the Auckland District Health Board?

Revenue from parking is collected by Hospital Car Parking Ltd (HCPL - Licence Holder). HCPL in turn pays an annual fee to Auckland DHB. The annual fee received from HCPL from parking for the year 2020 was \$4,664,000 and for the year 2019 was \$5,798,000.

Auckland DHB applies these fees to maintaining related assets and services such as hospital campus roads, providing new car park facilities, and maintaining existing onsite and offsite parking.

We are unable to provide you with the revenue that HCPL collects as disclosure of this information would likely unreasonably prejudice HCPL's commercial position (section 9(2)(b)(ii) of the Official Information Act).

You are entitled to seek a review of the response by the Ombudsman under section 28(3) of the Official Information Act. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Please note that this response, or an edited version of this response, may be published on the Auckland DHB website.

Yours faithfully

Ailsa Claire, OBE
Chief Executive of Te Toka Tumai (Auckland District Health Board)
