Thanks. Helpful to know.
That's also consistent with the conversation Liz had with Stacey earlier today after discussing with Gil for DCCM.

Hi Alex
We have said "No"
Marg D to Pete Watson and Allsa to Margie

They need to figure out if they can take and what the logistical considerations will be once they have her in their ICU We could pick up other capacity (for other ICU patients) if needed following this

Cheers
Mike

Hi Jo,

I have let Stacey know already that we will assist if they need it.

Thanks

Liz

Hi Mike Will you communicate this to CMDHB and rest of region or shall I do it through RPG? Happy if you want to and cc me and I can FYI to ICs?

Thanks
Jo

That seems reasonable...would you like me to let ED and IOC/CNMs know that we may have more referrals from Jet Park over this time?

Thanks, Liz

Hi
I think we should take Jet Park patients for a while as a good will gesture - maybe for this weekend and next week?
