

Re: Official Information Request for Elected DHB Member Data Ref: 2022050 - 1217

I refer to your official information request of 3 May 2022, requesting the following information:

I'm writing on behalf of the Parliamentary Library to seek a list of people who have been elected to your district health board since its establishment. I'm wondering if your DHB can provide me with:

- The names of the members
- The start and finish dates of their tenure
- The position they held (whether they were a member, chair or deputy chair)
- Whether they were an elected or appointed member

Could this please be arranged by each board term.

#### Response

The information sought is set out, and as requested, in the following tables but with the exception of the start and finish dates of their tenure. These coincide to the terms of the local body election cycle for all elected members. Appointed members' appointments are published in the New Zealand Gazette. Thus we are providing the years but not the start and finish date of tenure and partially refusing your request citing s 18 (d) Official Information Act – the information is (...) publicly available. For start and finish dates of elected tenure see <https://www.dia.govt.nz/Services-Local-Elections-Index?OpenDocument> and for appointments <https://gazette.govt.nz/notice/id/2021-go1396>
