**Re: OIA request – Priority Spending and Cancer Treatment**

Thank you for your Official Information Act request received 19 June 2019 seeking the following of Auckland District Health Board (DHB):

- 1. What is the DHB's top 10 priorities for spending in the 2019/20 financial year?**
- 2. What were the DHB's top 10 priorities for spending in each of the past 5 financial years?**
- 3. What has been the proportion of patients accepted for urgent diagnostic colonoscopy who received the procedure within 14 days (2 weeks) for each of the last 5 years? And what is the target for 2019/20?**
- 4. What has been the proportion of patients who received their first treatment (or other management) within 62 days of being referred with a high suspicion of cancer and need to be seen within 2 weeks, for each of the last 5 years; and what is the target for 2019/20?**
- 5. Pls (sic) also provide any spending priorities or targets that DHB has to hand for the years beyond 2019/20, if those exist.**
- 6. Any current most-recent statement of DHB priorities regarding cancer management or treatment, or concerns with that, that the Ministry has been briefed on or received any report about, oral or written, from your DHB in the 2018/2019 or 2019/20 years to date.**

In response, please note questions 3, 4 and 6 are transferred to the Ministry of Health for response.

Question 1 and 2 are summarised in the table following with the exception of the 2019/2020 priorities, which have not yet been signed off by the Minister.

In response to question 5, Auckland DHB's future priorities are informed by planning advice received from the Ministry of Health.
