

New Zealand Breast Cancer Register

Data Request Form

All applications for data must be approved by the Data Manager and Clinical Specialist (local-only requests) or by the Clinical Advisory Group (CAG) of the New Zealand Breast Cancer Register (NZBCR). Your request will be reviewed in a timely manner and you will be notified in due course of the group's decision. To ensure patient privacy and confidentiality is maintained, the Register will only release de-identified data. Please contact one of the NZBCR Data Managers if you have any queries or special requests.

Requests for internal or regional audits involving one region, will be reviewed by the applicable Data Manager and Clinical Specialist. Requests for an extensive amount of data, or from two or more regions and/or for research projects will be reviewed by the CAG.
